

ADVANCED

HANDGUN PACKAGE

All previous packages have led to this. Single-hand weapon manipulation. Advanced handgun includes 4 1-hour, 1 on 1 training that will cover firing and manipulation of your weapon with a single hand (both on and off), and reloads with a single hand (both on and off).

COMPLETION OF ALL PREVIOUS PACKAGES OR OTHER RESPECTED COURSE(S) IS REQUIRED

LESSON 1 Dominant single-handed weapon skills!

Go through the skill set you've gathered throughout the previous training WITH ONE HAND!

- Learn how to load, make ready and engage with only your dominant hand!
- Learn to reload your weapon with only your dominant hand!

LESSON 2 Non-dominant single-handed weapon skills!

Apply the skills learned in your previous lesson to fire with ONLY YOUR OFF-HAND!

- Learn how to load, make ready and engage with only your off-hand!
- Learn to reload your weapon with only your off-hand!

LESSON 3 Simulated Training!

Step into our training simulator to refine your single-hand skills even more!

- Use your newly learned skill set while in our simulator

LESSON 4 Rounds Down Range!

Utilize all of your new single-hand skill set while firing with live ammunition!
