

INTERMEDIATE CARBINE

Build your skill set even more with our intermediate carbine package! This 4 1-hour, 1 on 1 training sessions where you will learn how to get your weapon back in the fight! You will learn how to clear stoppages and how to properly and quickly reload your weapon!

LESSON 1

Clear Those Jams

- Jams on the range are common, and you can learn to fix them!
- Learn how to identify different types of stoppages and how to conduct immediate and remedial action!
- Learn how to set up dry fire drill that you can do in the comfort of your own home!

LESSON 2

Take Down More Than One Threat

- Take your engagement skills to the next level by learning how to take down more than one threat!
- Transition from one threat to another more accurately!
- Add more dry fire drills to your arsenal!
- Step into our 300-degree simulator to practice in real time!

LESSON 3

Find And Shoot From Cover

- Protect your life by learning how to find suitable places to take cover and how to fire from them!
- Learn what cover and concealment are!
- Learn how to position yourself behind cover to make your self harder to engage and how to fire from it!

LESSON 4

Rounds Down Range

- Take to our indoor range and test your new skills with live ammunition!
- Engage multiple threats at various ranges and angles!
- Conduct corrective actions your instructor sets up for you and engage your threats!
- Engage threats from different types of cover!
