

NOVICE CARBINE

Are you looking to take your carbine skill set to the next level? This is the package for you! It includes 4 1-hour, 1 on 1 training lessons that will teach you how to set your person gear, refine and hone in your carbine marksmanship, and how to quickly and efficiently reload your weapon!

LESSON 1

Get Your Gear Right

- Learn what gear is out there for you to use and how to set it up!
- Become more familiar with different types of slings and how to use them!
- Build your gear set up with one of our experienced instructors!
- Learn of other everyday carry items you can add to your set up!

LESSON 2

Work Those Small Details

- Break down your fundamentals down to the smallest details and sharpen your skills!
- Dive deeper into the aiming process, breath control, trigger control and follow through!
- Get back into the simulator and get immediate progress feedback!

LESSON 3

Stay Topped Off

- Get hands on training on how to reload your weapon properly!
- Learn the two types of reloads and when to use them!
- Increase your dry fire arsenal so you can keep training in the comfort of your own home!

LESSON 4

Rounds Down Range

- Apply the skills you learned in this package with some live fire training!
- Practice your reloads on our indoor range with live ammunition!
- Refine your marksmanship skills even further with the help of your instructor!

\$220.00
per person - per package

Gear List: Your personal carbine and 50-100 rounds of its respected ammunition
• Hearing protection (in-ear and over-ear acceptable) • Eye protection (ballistic rating required)
