

INTERMEDIATE

HANDGUN PACKAGE

Continue increasing your skill set with our intermediate package! This 4 1-hour, 1 on 1 training package covers corrective action drills, multiple threat engagement exposure, and how to find and shoot from cover!

*Follow-on packages and training available!

LESSON 1

Clear those jams!

Jams on the range are common, and you can learn to fix them!

- Learn how to conduct immediate and remedial action for numerous types of stoppages!
- Learn how to set up dry fire drills to practice!

LESSON 2

Engagement of more than one threat!

Learn to transition from one threat to another!

- Transitions from more than one threat accurately!
- Dry fire drills to make your transitions faster!
- Step into our 300-degree simulator and practice in real time!

LESSON 3

Find and shoot from cover!

Protect your life by learning how to find suitable places to take cover and how to fire from them!

- Learn what cover and concealment are!
- Learn how to position yourself behind cover to make yourself harder to engage and how to fire from it!

LESSON 4

Rounds Down Range!

Take to our indoor range and test your new skills with live ammunition!

- Engage multiple threats at various ranges and angles!
- Conduct corrective actions your instructor sets up for you and engage your threats!
- Engage threats from different types of cover!

WHAT YOU WILL NEED:

- Your personal weapon and 50-100 rounds of its respected ammunition
 - Hearing protection (in-ear and over-ear acceptable)
 - Eye protection (ballistic rating required)
